Fleur Jack Announces North American Tour for September/ October 2011

New Zealand based singer songwriter Fleur Jack is heading off to tour North America this September/ October.

Fleur has previously played music in Canada, Hong Kong, Australia and all over New Zealand but this is the first trip to introduce Canadian and American audiences to songs from her debut album "**Ghosts of Cimarron.**"

In 2010 Fleur Raised 9000 Euro on the website Sellaband to make her debut solo album with. "**Ghosts of Cimarron**" was recorded this year in one of New Zealand's top studios **The Lab** and mastered in Hollywood at **Bernie Grundman Mastering**. Now that the album is ready for release, Fleur is hitting the road on the other side of the world to spread the word about her music.

Much of the music on Fleur's debut album was inspired by a trip last year to visit family in a small Colorado town Trinidad which borders New Mexico. Fleur will be playing music in the towns that inspired the album including the famously haunted "St James Hotel" in Cimarron New Mexico.

Fleur's song 'Not My Fault' has recently been featured on a compilation called 'We Will Rise Again' alongside **Lionel Ritchie**.
